PROPOSAL SECTION

State

Proposal 2026-1 A proposal to convene a constitutional convention for the purpose of drafting a general revision of the state constitution

Shall a convention of elected delegates be convened in 2027 to draft a general revision of the State Constitution for presentation to the state's voters for their approval or rejection?

Proposal 2026-2 A proposed initiated law to prohibit campaign contributions from certain regulated utilities and government contractors and apply campaign finance laws and regulations to additional types of political communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over \$250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Should this proposal be adopted?

For the purpose of providing funds for the operation of the Allegan Conservation District, including programs to assist landowners in the protection and enhancement of natural resources, environmental education, and environmental remediation within Allegan County, shall Allegan County be authorized to levy a millage annually in an amount not to exceed 0.0943 mill (\$0.0943 per each \$1,000 of taxable value), which is a renewal of the previously authorized millage rate that expires in 2026, against all taxable property within Allegan County, for a period of six (6) years, 2027 through 2032, inclusive? The estimate of the revenue the County will collect in the first year (2027) if the millage is approved and levied by the County is approximately \$795,241.

The following is for informational purposes only:
