

City Council Agenda Item Report

FROM: Michelle Gibson Administrative/Project Coordinator
Scott Herbert Public Works Superintendent

MEETING DATE: January 12, 2026

SUBJECT: Purchase of 2026 GMC Sierra 3500HD Pickup Truck

DESCRIPTION:

Public Works is seeking approval to purchase a new **2026 GMC Sierra 3500HD Regular Cab 4x4 SRW Pro Pickup** under the State of Michigan MiDeal Contract from Todd Wenzel Buick GMC of Westland, Michigan.

This vehicle will replace an aging Public Works truck (truck #2) that has reached the end of its service life and is no longer cost-effective to maintain. Truck #2 is a 2014 GMC 2500 with 62,615 miles. The new pickup will be equipped for heavy-duty use and include a liftgate. The vehicle purchase through the MiDeal program ensures the City receives competitive government pricing.

City of Saugatuck MiDeal Pricing:

- 2026 GMC Sierra 3500HD Reg Cab 4x4 SRW Pickup
 - Spray-On Bedliner (UTR, RhinoLining)
 - TommyGate G2-60-1342-EA38 Liftgate
 - 6" Rectangular Step Bars (Black)
 - Delivery per MiDeal (Saugatuck, MI)
- Total Vehicle Cost: \$55,318**

Additional Equipment:

- Snowplow (separate purchase)- Not to exceed \$12,000 (budgeted)

BUDGET ACTION REQUIRED:

New Truck Purchase Budget- Fiscal Year 2025/2026: \$60,000

COMMITTEE/COMMISSION REVIEW:

N/A

LEGAL REVIEW:

[Fleet] 2026 GMC Sierra 3500HD (TK30903) 4WD Reg Cab 142" Pro (3) (✓ Complete)

Standard Equipment

Package

Sierra HD Pro Safety includes (UEU) Forward Collision Alert, (UE4) Following Distance Indicator, (UKJ) Front Pedestrian Braking, (TQ5) IntelliBeam, (UFL) Lane Departure Warning, (T8Z) Buckle to Drive and (UHY) Automatic Emergency Braking

Trailer Package includes trailer hitch, 7-pin and 4-pin connectors and (CTT) Hitch Guidance (Deleted when (ZW9) pickup bed delete is ordered.)

Mechanical

Engine, 6.6L V8 with Direct Injection and Variable Valve Timing, gasoline (401 hp [299 kW] @ 5200 rpm, 464 lb-ft of torque [629 N-m] @ 4000 rpm) (STD)

Transmission, 10-Speed automatic (STD)

Rear axle, 3.73 ratio (Requires (L8T) 6.6L V8 gas engine.)

Pickup bed includes bed assist step (STD) (Deleted when (ZW9) pickup bed delete is ordered.)

GVWR, 11,300 lbs. (5126 kg) with single rear wheels (STD) (Included and only available with TC30953 or TK30903 model and (L8T) 6.6L V8 gas engine. Requires single rear wheels.)

Push Button Start

Air filter, heavy-duty

Air filtration monitoring

Transfer case, two-speed electronic shift with push button controls (Requires 4WD models.)

Auto-locking rear differential

Four wheel drive

Cooling, external engine oil cooler

Cooling, auxiliary external transmission oil cooler

Battery, heavy-duty 720 cold-cranking amps/80 Amp-hr maintenance-free with rundown protection and retained accessory power (Included and only available with (L8T) 6.6L V8 gas engine.)

Alternator, 170 amps (Requires (L8T) 6.6L V8 gas engine.)

Trailer brake controller, integrated

Recovery hooks, front, frame-mounted, Black

Frame, fully-boxed, hydroformed front section and a fully-boxed stamped rear section

Suspension Package (Not available with (X31) Off-Road Package.)

Steering, Recirculating Ball with smart flow power steering system

Brakes, 4-wheel antilock, 4-wheel disc with DURALIFE rotors

Brake lining wear indicator

Saugatuck–Douglas HEARTSafe

Website: www.sdheart.org

2025 Year-End Impact Report

Executive Summary

2025 marked a foundational and transformative year for **Saugatuck–Douglas HEARTSafe**, as the organization formally launched on June 3, 2025, achieved 501(c)(3) nonprofit status, and rapidly expanded its lifesaving impact across the tri-community region of Saugatuck, Douglas, and Saugatuck Township.

In its first year of operation, HEARTSafe trained residents and visitors in CPR and AED use, installed publicly accessible AEDs, integrated local AED data into emergency response systems, and engaged tens of thousands of community members through outreach and public events. These efforts move the community decisively toward designation as a **HEARTSafe Community** and, most importantly, toward saving lives from sudden cardiac arrest.

Mission & Vision

Mission

To train, educate, and empower community members and visitors on the lifesaving importance of early intervention CPR and AED use in response to sudden cardiac arrest. Meet and maintain the requirements to become a nationally recognized HEARTSafe Community.

Vision

A prepared, connected, and resilient community where immediate CPR and AED access significantly increases survival from cardiac arrest.

2025 Impact at a Glance

- **359 individuals trained** in lifesaving CPR and AED skills
- **486.5+ volunteer hours** contributed
- **1 public-access AED installed** and operational
- **40 AEDs identified** in the community through AED mapping tools (with additional verifications ongoing)

- **87 direct participants** at HEARTSafe-led community events
 - **Tens of thousands of community touchpoints** through Fire Department-supported events
 - **501(c)(3) nonprofit status secured**
 - **PulsePoint AED integration** advancing with county partners
-

Training & Education

Training is the cornerstone of HEARTSafe’s work. Current class schedules, training requests, and educational resources are available at www.sdheart.org. In 2025, the organization delivered hands-on education through classes, demonstrations, and public events.

Training Outcomes

- **Hands-Only CPR (Adults & Teens):** 91 trained
- **Hands-Only CPR public training:** 87 trained
- **CPR/AED Certification:** 49 trained
- **Total Individuals Trained: 227**

Trainings were offered through scheduled classes, workplace and business demonstrations, community days, and special events. In addition, observers were welcomed at select sessions to broaden community awareness and comfort with CPR skills.

AED Deployment & Emergency Integration

Ensuring rapid access to AEDs is essential to survival from sudden cardiac arrest. Information on AED locations, PulsePoint integration, and how to request or sponsor an AED can be found at www.sdheart.org, including the community **AED Map** showing publicly accessible AED locations. In 2025, HEARTSafe made measurable progress toward building a connected AED network.

Key Achievements

- **Public-access AED installed** at Cove Bar, Douglas (October 2025)
- AED maintenance tracking implemented (pads and battery expiration monitoring)
- **AED App and PulsePoint integration** expanded to improve visibility to 911 dispatch and first responders

These efforts support faster bystander response and improved coordination during cardiac emergencies.

Community Outreach & Awareness

HEARTSafe maintained a strong presence at local events throughout the year to educate residents and visitors. Event highlights and community photos are shared at www.sdheart.org.

HEARTSafe-Led Events

- Music in the Park series
- Saugatuck High School Community Day
- CPR/AED demonstrations at local businesses

Total direct engagement: 87 participants

Fire Department–Supported Community Events

Through partnership with the Saugatuck Township Fire District, HEARTSafe reached the public at major events including parades, markets, festivals, fireworks, and seasonal celebrations.

These events collectively reached **tens of thousands of attendees**, dramatically expanding awareness of CPR, AED use, and the HEARTSafe mission.

Volunteer Leadership & Service

Volunteer commitment powered HEARTSafe’s success in its first year.

- **486.5+ documented volunteer hours** contributed in 2025
- Volunteer roles included:
 - CPR instruction and class preparation
 - Community outreach and event staffing
 - Administrative and nonprofit formation work
 - AED installation and verification
 - Grant research and donor engagement

This level of volunteer service represents a significant in-kind contribution and demonstrates deep community commitment to lifesaving preparedness.

Financial Snapshot (Unaudited)

HEARTSafe responsibly stewarded community donations to support training, AED acquisition, and organizational infrastructure.

Highlights

- Donations received from individuals, businesses, and community organizations
- Significant support from **Lakeshore Women Who Care**
- Funds used to support:
 - AED purchases and outdoor cabinets
 - Training equipment and supplies
 - Website and donation infrastructure
 - Outreach and educational materials

The organization ended the year with a positive balance and financial controls in place, including an expense reimbursement policy and capital asset tracking. Secure online donations and sponsorship opportunities are available at www.sdheart.org.

Partnerships & Collaboration

HEARTSafe's progress was made possible through collaboration with partners whose collective efforts strengthen the region's emergency response system and support sustainable growth.

- Saugatuck Township Fire District (Lead Sponsor Agency)
 - Allegan County Public Health Department
 - Allegan County Sheriff's Department
 - Allegan County Medical Control Authority
 - Michigan State Police
 - Douglas City Police
 - Fifth District Medical Response Coalition
 - Michigan CARES Program (Cardiac Arrest Registry to Enhance Survival)
 - Western Michigan University, Homer Stryker M.D. School of Medicine
 - Local businesses and event organizers
 - Community donors and volunteers
-

Use Data to Drive Regional Strategies and Local Tactics

Saugatuck–Douglas HEARTSafe serves Saugatuck Township and the Cities of Saugatuck and Douglas in Allegan County, Michigan. **Holland Hospital** is the primary receiving facility

for the region, with **Beacon Allegan Hospital** and **Bronson South Haven Hospital** also serving emergency patients.

All three hospitals participate in the **Cardiac Arrest Registry to Enhance Survival (CARES)**, along with pre-hospital data submitted by the transporting ambulance service. CARES data is reviewed annually by the **Michigan CARES Coordinator** and the **Allegan County Medical Control Authority** to identify opportunities to strengthen out-of-hospital cardiac arrest (OHCA) survival.

In 2024, **Allegan County achieved a 55.6% Utstein bystander-witnessed cardiac arrest survival rate**. HEARTSafe uses these data points to guide local CPR training, AED placement, and community outreach efforts that align with regional and statewide cardiac arrest survival strategies.

Looking Ahead to 2026

In 2026, Saugatuck–Douglas HEARTSafe will focus on:

- Expanding CPR and AED training capacity
- Educate 850+ community members in CPR/AED training (15% of the population)
- Increasing the number of publicly accessible AEDs
- Completing comprehensive AED mapping and verification
- Advancing HEARTSafe Community designation goals
- Growing sustainable funding through grants and sponsors
- Continuing strong volunteer and community engagement
- Integrate tri-community data to capture CPR/AED-trained personnel across the region—including schools, businesses, police, fire, EMS agencies, employees, and residents—to establish a comprehensive snapshot of community readiness

Each step builds a safer, more prepared community.

Thank You

Saugatuck–Douglas HEARTSafe extends sincere gratitude to every volunteer, donor, partner, and community member who supported this work in 2025. Your commitment helps ensure that when cardiac emergencies occur, lives can be saved.

Together, we are building a HEARTSafe community.
