

City Council Agenda Item Report

FROM: Ryan Cummins, City Manager

MEETING DATE: August 25, 2025

SUBJECT: Appointments to Advisory Parking Improvements Task Force

DESCRIPTION:

On July 14, City Council approved the creation of an advisory Parking Improvements Task Force.

On July 25, the City Clerk provided notice that the City was accepting applications for appointment to the various seats.

Attached are the applications that the City received. All of the positions received one applicant except for the city resident, non-business owner seat which received two. Mayor Andreson is recommending that City Council appoint the following who applied, including the addition of a second city resident, non-business owner seat:

City Council Representative: Gregory Muncey – Chair

Planning Commission Representative: Auston Marineau

City Resident (non-business owner) Representative: Cathy Brockington

City Resident (non-business owner) Representative: Wendy Colsen

Restaurant Owner Representative: Alec Payleitner

Retail Business Owner Representative: Michael Gustaitis

Convention and Visitors Bureau Representative: Gary Kott

Interurban Representative: Becky Carten-Crandell

Policy Review

The Council's 2020 Board and Commission Selection Policy requires the City to provide notice of the vacancy, accept applications, and conduct interviews. In this case, with the exception of the City resident representative, only one applicant was received for each position. Mayor Anderson and Council Member Muncey reviewed the submittals and discussed the applicants and are recommending that interviews are not needed at this time.

The policy allows the City Council to suspend it by majority vote, which would be required in this case.

LEGAL REVIEW:

Legal will be at your meeting if you have any questions.

SAMPLE MOTION:

Motion to suspend the 2020 Boards and Commissions Selection Policy related to the appointments to the advisory Parking Improvements Task Force and to appoint the following members:

- **City Council Representative and Chair:** Gregory Muncey
- **Planning Commission Representative:** Auston Marineau
- **City Resident (non-business owner) Representative:** Cathy Brockington
- **City Resident (non-business owner) Representative:** Wendy Colsen
- **Restaurant Owner Representative:** Alec Payleitner
- **Retail Business Owner Representative:** Michael Gustaitis
- **Convention and Visitors Bureau Representative:** Gary Kott
- **Interurban Representative:** Becky Carten-Crandell

Does your employer have any business dealings with the City which might present a conflict of interest

No

If yes, please explain:

Are you a City of Saugatuck resident?

Yes

Are you a registered City of Saugatuck voter?

Yes

Serving on a board or commission can be time-consuming. Are you committed to attending all regularly scheduled meetings?

Yes

On which boards and/or commissions would you be willing to serve? .Parking Improvements Task Force - Application deadline 8-15-25 by 5 p.m.

1

If you are applying for the Parking Improvement Task Force - Please select what seat are you applying for:.City Resident (non-business owner)

1

Please describe any qualifications, expertise or special interests that relate to your possible appointment:

I am around down town almost every day. I drive and park in the on-the-hill areas too. I am very familiar with the parking and through-traffic issues in the Saugatuck community. This is a long standing issue that needs creative, thoughtful solutions. I have never been on a committee or commission before, but I feel that I am qualified to participate fully in this issue.

July 30, 2025

Dear City Council:

Please consider my application for the appointment to the Parking Improvements Task Force, as I am eager to return to volunteering in the community now that I have a little more time in my schedule. As a full-time resident of 30 years and summer visitor to Saugatuck since childhood, I am very invested in the future of our little slice of Midwestern heaven.

I feel my background and strong bond to the community make me an excellent candidate, as I have connections with many Tri-Community members (both long-time locals and recent transfers), business owners, school personnel, and friends that frequent Saugatuck often. This provides ample opportunity to gather opinions and data regarding parking needs, so I can do my best to represent the many voices of the community concerning such an important topic, not just my own opinion.

My experience is varied and lends itself well to serving on the task force. During my years at Saugatuck Public Schools and as a reporter for the Commercial Record, I have seen first-hand how a clear vision and consistent, open communication are keys to building strong relationships with the community and maintaining institutional viability. As a community, the City of Saugatuck not only has a responsibility to maintain its economic viability, but also to maintain accountability to the needs of the taxpayers. With a clear vision for the future of Saugatuck and open communication of task force findings, I believe a solution is within reach.

I also have firsthand knowledge of small-town parking issues, as my family and I own/have owned property in Douglas, including parking lots. I am very well aware of how parking problems can both positively and negatively affect the downtown area, as well as strongly affect the emotions of business owners, locals, and visitors. On more than one occasion, I have had tourists tell me they came to Douglas because they drove around Saugatuck looking for parking, and upon finding none, they left. This is good for Douglas, but not so good for Saugatuck. This task force will allow a deeper exploration of possible solutions to a longstanding parking problem.

My involvement in education, public relations, newspaper reporting, building community partnerships, and property management in Douglas makes me an excellent candidate for the position. Furthermore, my abilities to prioritize tasks, meet deadlines, positively communicate, and build relationships with community members will be assets when working with the task force and constituents. I will definitely make it a priority to canvas business owners, residents, and visitors to get my finger on the pulse of the needs of the community.

If appointed, I look forward to serving the residents of Saugatuck and will do my best to be the voice of many. My experience, organizational and leadership skills, and strong work ethic will be assets in working with the task force. I look forward to the opportunity to talk to you further.

Thank you for your time and consideration,

Wendy Colsen

Wendy Colsen

• Saugatuck, MI • 49453

BUSINESS OWNER (1997 – Present)

Property Management (2016 – present)

Self Employed

- Manage all aspects of properties including office spaces, commercial units, and parking lots
- Direct operations and finances

I am applying for the CVB seat on the parking committee.

I have been a downtown resident and downtown business owner since 1990. In those 35 years, I have never had private off street parking so I am aware of the parking challenges.

I am on the board of directors of the Saugatuck Douglas CVB.
